Note: While most people pick-up their RC cars after repairs are completed, some don't bother to pick them up at all. So please take note: Any vehicles left with us more than 60 days after we've completed repairs “with no payment” will be considered our property and sold to recover our fees. We don't really want your vehicles. We have enough of our own. So please, pick-up or pay for your RCs promptly, and we will both not have to worry about this rule.
